

How to be Eco Friendly for the Holidays

5 WAYS TO HELP THE PLANET

Recycle cardboard boxes

And look into donating any packing materials you don't need.

Check for glitter and shine

Cards or wrap printed on photo paper or embellished with foil or glitter are beautiful - but need to be reused, or tossed

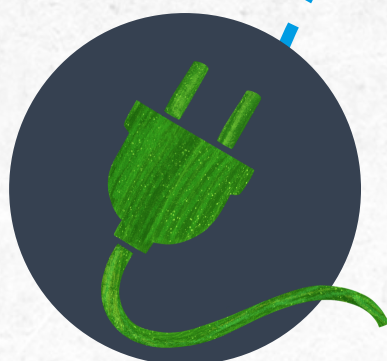

Do those dishes!

Break out the fine china. Washable plates and silverware are better for the planet..

Think low-waste for last-minute gifts

Select items that are local, consumable, recyclable, long-lasting... or gift an experience!

Choose digital

When possible, ask for your receipt to be emailed instead of using paper.
